Shimadzu Corporation

Dear Tsuyoshi Nakanishi:

We (the signatories below) would like to express our sincerest appreciation for the strong support Shimadzu has given the Skyline project over the past 10 years, and especially for funding the efforts of the Skyline team to continue improving Skyline and to ensure it exploits the benefits of Shimadzu instruments to the fullest extent possible. We understand Skyline support for Shimadzu instruments has benefited greatly from Shimadzu contributions of software libraries, as well as direct involvement in feature design, testing and feedback. We would like to encourage you to continue this close relationship with the Skyline team.

That Skyline continues to grow and improve with the instruments and advances in the field is critical. The team behind these improvements also offers unparalleled support and instruction, in their documentation, webinars and courses.

Again, thanks to Shimadzu for supporting this incredible community asset.

Sincerely,

Michael MacCoss, Professor   Brendan MacLean, Principal Software Engineer
